

## VESTAS

---

Vestas is the energy industry's global partner on sustainable energy solutions. We design, manufacture, install, and service wind turbines across the globe, and with 94 GW of wind turbines in 79 countries, we have installed more wind power than anyone else.

Through our industry-leading smart data capabilities and unparalleled 79 GW of wind turbines under service, we use data to interpret, forecast, and exploit wind resources and deliver best-in-class wind power solutions. Together with our customers, Vestas' more than 24,000 employees are bringing the world sustainable energy solutions to power a bright future.

Vestas' growth is driven by demand from markets across the globe and supported by a technology strategy based on multiple variants of the well-proven 2 MW and 4 MW platforms.

### **Mission**

Vestas strives to deliver best-in-class energy solutions to the benefit of Vestas' customers and the planet. To achieve that mission, we are inspired by our values of Accountability, Collaboration, and Simplicity. These reflect our guiding principles in terms of how we work and engage with each other internally and with the full range of stakeholders externally.

### **Vestas Hellas**

Vestas pioneered the Greek wind market in 1986. Since then, it has installed around 1.4 GW corresponding to more than 700 wind turbines.

With more 160 employees and 6 service centres in the country, the company holds a market share of over 51%.

Vestas' large contribution to the development of renewable energy in Greece has been recognised with the "The Greek Business Champions Awards 2018", sponsored by the Economy and Development Ministry and the Hellenic Federation of Enterprises.
